The International Yachting Fellowship of Rotarians, Rotary Mariners, started in England in 1947 when John Barrett hosted a Rotary flag from his yacht. Today IYFR is the oldest and largest of Rotary's fellowships. We have approximately 100 fleets representing more than a thousand yachts and three thousand members worldwide. We call ourselves *Rotary Mariners* and jokingly often refer to the fellowship as Rotary's Navy!

But having a yacht or boat is not a requirement to join. Any Rotarian with an interest in boating in any form is welcome to our ranks.

Boating with fellow Rotarians is a delightful way to share ideas, improve you seamanship, make close and lasting friendships, and to practice the ideals of Rotary.

IYFR is internationally active. When you join you open a door to the world of shared boating experiences and fellowship. And boat owner or not, a new social world will soon open up to you. Many *Rotary Mariners* actively seek out other fellow *Rotary Mariners* when visiting Rotary Clubs or IYFR fleets.

The San Francisco Fleet is one of the nearly one hundred fleets worldwide. Your participation in the local fleet serving districts 5150, 5160 and 5170 and all of Northern California and Nevada opens up the worldwide fellowship of IYFR on a local level for you.

Join today and open a new window on Rotary fun and activities!
